

For over 20 years the Ormond Beach Police Athletic League has been helping children and teens enhance their self-esteem and increase their self-confidence. OBPAL offers opportunities to increase positive relationships between youth and police officers through educational, athletic, recreational, and cultural programming partnerships with area schools and recreational facilities.

Over five hundred (500) children and teens ages 6 – 18 participate in our programs each year. Our programs include: boys basketball for 10U, 12U, 14U, girls basketball for 8th and 9th grades, Tutors R Us, Science on Patrol, Summer Reading, Summer Science, Summer Art, Summer Computers, Reading with a Cop and R.E.A.D., Reading, Exploration, Adventure and Discovery. Our teen youth program, the Youth Directors Council, organizes community service projects in Ormond Beach and is dedicated to serving our community and building future leaders. Each year we host an annual holiday party giving over 100 children gifts which for some may be the only new toy they receive for the season.
